Property description

HEART of a typical white pueblo

- . A great LOCK & LEAVE property
- . Walking distance to local shops and Tapas Bars
- . Needs reform
- . Cute casa

This property located in the white village of Tolox is a great bolthole. A short 2 minute walk from the top plaza, the property consists of four floors. In the basement is a large storeroom, on the ground floor there is a living room, partially fitted kitchen and bedroom. Upstairs are a further 2 bedrooms and bathroom, followed by an old-school Spanish utility room and roof terrace.

The charming white village of Tolox lies against the steep hills of the Sierra de las Nieves, at the end of a side road from the C-344 Málaga-Ronda. It offers beautiful views of the vast rolling countryside below and impressive high mountain peaks above. Tolox is quietly famous for its SPA-waters and one of the gateways to national park Sierra de las Nieves.

The Tolox SPA (Fuente Amargosa Health Spa) attracts large numbers of pilgrims and SPA-visitors that stay in the area each year. Standing at the entrance to the spectacular nature reserve, the SPA makes use of the water which flows at the rate of 15.000 litres a day from the mountains. The water is said to work wonders with respiratory ailments due to a mild gas it gives off. Not only people benefit from the waters of Tolox, also avocado farms, vegetable plots and fruit trees packed with local fruits which are grown in the green valley, hidden between the hills, behind the village.

Besides the healing waters, the national park Sierra de las Nieves, is a wild and stunning area for rural tourists to discover. The wildlife is impressive and views often breathtaking. Visitors are welcome, however the village of Tolox is not packed with shops and hungry salesman. You find a tiny but engaging municipal museum, there are of course local shops and (tapas) bars and a central town square.

Tolox is the ideal place to relax and enjoy the slow, peaceful pace of its Andalusian in...
